

objective

To obtain a co-op position that will provide me with the opportunity to demonstrate my skills and utilize my experience in computer technology and employ the knowledge I have gained through my education. Available May 24 through August 2010.

qualification summary

Developed excellent troubleshooting and computer skills over the past 6 years through self-learning and hands-on experience. My aptitude and enjoyment of this field has led me to pursue a degree in Information Technology at the college that defined IT as an academic discipline.

Programming Languages: Java, CSS, HTML, SQL, AS3.

Operating Systems: UNIX/Linux, Windows XP/Vista/7, Mac OSX.

Software: Microsoft Office, FTP, Shell, Adobe Photoshop/Dreamweaver.

Other: Excellent interpersonal and communication skills. Professional attitude and self-motivated. Flexible and able to work in a variety of settings and adapt to changing conditions.
